

■ DISPLAY SHELVING SYSTEMS

Redefining retail spaces

- Elegantly designed to suit different needs
- Available in variety of models and sizes
- It is ideal if you have different items to display from time to time
- Specially designed to impart maximum strength and to eliminate play
- A unique stabilizer screw & nut holds the shelf in place
- Available with an elegant Aluminum Track for light loads and a Steel Track for high loads
- The tracks which support the shelves are screwed on to the wall, so that they blend well with the decor
- Available for glass, wood shelves and hanger systems
- Track, wood shelf bracket, glass shelf bracket, hanger holder brackets, hanger rack and rod bracket are also available in SS304
